We are Professionals Dedicated to Building Excellence

Magleby Construction's strength comes from the 175+ talented executives, managers, technicians and craft smen employed across the company's diverse operations. Taking care of customers from the Preconstruction phase, through Construction and for many years beyond turnover via ongoing Property Services is the winning recipe in creating Raving Fans.

The company is made up of the following operational groups: Estate Homes, Custom Millwork and Doors, Excavation, Remodel, Property Services, Carpentry, Trades Services, Commercial Construction & Millwork, Communities and Studio MX – Architectural Drafting Services.

Quality is in the Details

Magleby Construction has led the industry in producing quality for over 40 years. Here is what our customers say about us:

- “It's always done right. I don't have to double check the quality or worry about what the finished product is going to look like, because they are always attentive to detail.”
- “They always seem to get good quality craftsman on the job. The skilled work is beyond reproach.”
- “A highly capable general contractor with a broad group of capabilities. Their involvement helped us get the project done on time and within budget.”

Awards & Recognitions

Magleby Construction is honored to be the only builder in the country to have been awarded NAHB's National Custom Home Builder of the Year—twice. First in 2006 under the leadership of Paul Magleby and most recently in 2016 following the transition to second generation ownership with Chad Magleby. Over the years, Magleby Construction has been the recipient of numerous local, state and national awards for everything from quality construction, to sustainable material and systems implementation, to unique design excellence. In 2017 Magleby Construction was awarded the Builders Choice Award, a Best of Houzz Design Award, and a Platinum Award for Best Interior Design.
