As the exclusive interior designers for the Residences at Bluegrouse Ridge, Latham Interiors has helped create a beautiful opportunity for potential homeowners in the Sun Valley area. Sarah Latham, Principal of Latham Interiors, brings expertise and unrivaled enthusiasm to her work. Her foundation in design—the result of working with San Francisco’s Fisher Weisman, Lake Tahoe’s Bentley Interior Designs, and Ruscitto, Latham, Blanton Architecture—continues to support her expertise and innovation. The Latham Interiors Team has worked seamlessly together over the years to design a wide variety of timeless and sophisticated residential, retail, and office spaces.

In addition to providing clients with industry expertise and design guidance, the Latham Interiors Team also offers unique opportunities for environmentally-friendly designs. Working closely with each client ensures that not only is each design the right fit for each space, but also that the project fits every client’s individual needs. Over the years, Latham Interiors has received several certifications and awards, including LEED AP IC+C, Member of ASID, and Best of the Valley 2016, 2017 and 2018.
